Xi'an Shiyou University

Dear Rector A.V. Damdinov,

On behalf of Xi'an Shiyou University, I am happy to congratulate Banzarov Buryat State University with its 90th anniversary!

Banzarov Buryat State University has been an esteemed partner of our University for more than 10 years! It was a long, difficult, but wonderful and fruitful way: we established numerous exchange programs for students and professors, made many joint publications, implemented ambitious projects. All this is possible because of our common good will for better cooperation and prosperity!

Banzarov Buryat State University is among leaders of Russian and global education, a recognized innovator and alma mater of outstanding alumni in business, government and science! We here in Xi'an China are proud of our friendship and partnership.

The COVID pandemic doesn't allow visiting the anniversary events dedicated to the 90th anniversary of Banzarov Buryat State University Anniversary, but be sure that the warmth of our hearts, our thoughts and best wishes are with you. Challenges make us stronger, so I am assured that we will meet very soon and develop our cooperation further on.

I wish all teachers and students, researchers and staff of Banzarov Buryat State University good health, break-through in science and studies, astonishing projects and prosperity!

Looking forward to meeting you soon

Yours faithfully

Li Tiantai
